

TRIMPRO®

Ref.: 0805

WARNINGS

While the machine is running:

- Never place your fingers in contact with the grill or the blade.
- Never apply pressure on the grill.
- Do not use scissors, knives or any instrument above the grill.
- Safety glasses and gloves are required at all time.

USER'S INSTRUCTIONS

- 1- Install the four legs and use the four bolts supplied to tighten the legs to the structure.
- 2- For trimming, move the plant back-and-forth and rotate it at the same time.
- 3- In order to facilitate the trimming, spray some vegetable oil and clean the grill and blade frequently with soap, the Trimpro Cleaner preferably. It has to be done when the machine is NOT running.
- 4- Sharpen the blade when necessary. To do it, remove the screw on top of the blade (see drawing below*)
